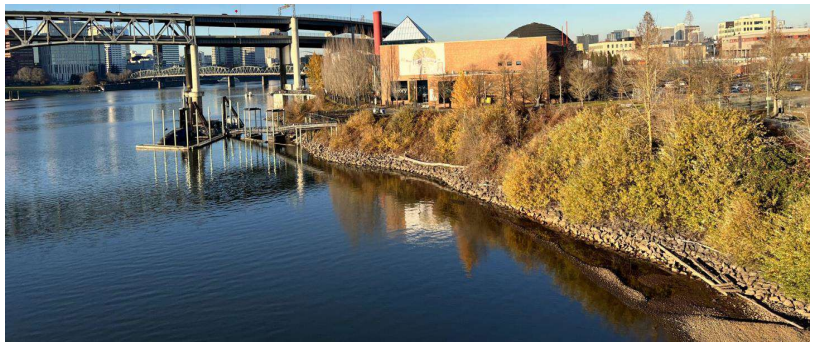
Amounts are subject to change

Oregon Museum of Science and Industry
Portland, OR

- Used LR Technical Assistance to develop an opportunity and constraint analysis.
  - Constraints included several contaminated soil caps.
  - Opportunities included more public river access.
- Currently receiving a TBA from EPA for some parcels.
- Working with Business Oregon to get other parcels assessed.
- May come in for an EPA cleanup grant once assessment is complete.



Your State Environmental / Economic Development Agencies

Conduct Technical Assistance projects for planning or other reuse assistance that does not involve assessment or cleanup such as:

1) **Market analysis, labor market and/or economic research**
2) **Site reuse assessment, identify site assets and barriers**
3) **Financial feasibility and/or implementation plan for site reuse**
4) **Conceptual site design**
5) **Rapid Health Impact Assessment**
